present

YOUR OPPORTUNITY TO MEET WITH HIGHLY INNOVATIVE JAPANESE BIOTECH COMPANIES AT BIO-EUROPE 2010

A delegation of biotechnology companies from Yokohama will attend "BIO-Europe 2010 Munich". They widely seek business partners and hope with eagerness that many groups will deal with them.

Yokohama-Kanagawa Bio-Businessnetwork (YK-Bionet), one of the leading clusters in biotechnology in Japan, are consisted of biotech SMEs (small and medium-sized enterprises)

implementing excellent research such as Drug Development, Tissue Engineering / Cell Culture, Liposome etc.

In this November, the YK-Bionet delegation will have plenty of one to one business meetings with European companies at "BIO-Europe 2010 Munich", Europe's largest partnering conference serving the global biotechnology industry, aiming for seeking collaboration partners for Business Development, Customers and Licensing Opportunities with leading dealmakers from biotech and pharma along with the most exciting emerging companies.

WHEN:

From 15th November, 2010

To AM 17th November, 2010

WHERE:

BIO-Europe 2010 Munich

International Congress Centre
Munich (ICM)

Organizer of the delegation:
